

ATTRACT & HIRE

Optimize your recruiting process to better source, screen, and select top candidates.

Our ATS includes:

- Unlimited user roles & permissions to enable comprehensive feedback & collaboration
- Distribution to 5,500+ free, premium & social media job boards tailored to your specific industry
- Responsive, branded career site with a mobile-friendly application process
- Job ad writing driven by generative AI to craft engaging job descriptions
- Applicant screening and AI candidate matching so you can see the best-fit candidates first
- Job requisition tracking and processing to align on hiring needs
- Configurable job templates, applications & offer letters to simplify the application & hiring process
- Optional one-way video interviewing tool with intuitive calendar, email & SMS scheduling
- Candidate scoring, spotlight & ranking to assess the competency to your specified criteria
- Analytics, dashboards, & reporting for a deeper understanding

Candidate sourcing is not just one of the most crucial functions of the hiring process, but also one of the most difficult. To find your next high-quality candidates, having an established hiring process, time-saving tools, and quick follow-through are all essential.

With Workforce Solutions' ATS, you can focus on tasks that need your personal touch and automate the rest.

Automatically post your open positions to top job boards, use generative AI to craft compelling job descriptions, and easily schedule interviews with integrated tools. Free up time for what matters most, while making sure nobody falls through the cracks.

Key Benefits:

- ✓ Efficiently automate manual hiring tasks and collaborate with key stakeholders to collect feedback, score candidates, and more, all in one place.
- ✓ Build employer brand with career pages that help candidates feel connected throughout their recruiting journey.
- ✓ Craft enticing job posts by using generative AI via the Job Ad Writer and personalize recruiting efforts with configurable job templates, applications, offer letters, and more.
- ✓ Access over 5,500 free, premium, and social media job boards to post your open positions in one click.
- ✓ Eliminate tedious communication channels with one-way automated video interviewing, as well as intuitive interview scheduling via calendar, email and SMS.
- ✓ Reduce time-to-hire using AI- powered Candidate Match to rank applicants based on how well their skills and experience match the job listing
- ✓ Identify where you can improve your hiring process and decision making with in-depth reporting

Reduce Time-to-Hire

Make tedious tasks effortless by optimizing your hiring pipeline with Workforce Solutions' ATS. With our system, start building and filtering through a vast network of applicants, while scoring and ranking candidates to find your next best hire. Quickly identify qualified talent via AI-powered Candidate Matching tools to reduce your recruitment cycle. When you're ready, transition candidates with Onboard & Develop for an efficient and memorable experience.

Expand Your Talent Reach

Enable managers to engage with large, diverse passive and active talent pools, or to recruit as needed for your specialized, hard-to-fill roles. By leveraging free and premium jobboards, branded career sites, referral programs, and more, you can extend your influence and reputation in the market.

Optimize the Candidate Experience

Enhance the candidate experience with mobile-optimized, two-step applications to mitigate ghosting and generative AI writing tools to craft stronger and enticing job descriptions. With one-way video interviewing and intuitive scheduling, you can engage talent and eliminate the endless back and forth of scheduling, screening and interviewing to create a flexible candidate experience.
